ASSET MANAGEMENT

Dear Mario,

As we reach our 10th year of working with yourself and the JC couriers team I thought it only right I should write to you and thank you for all of the hard work your team has put in collecting and delivering throughout the UK.

The coverage from the Distilleries in the highest regions of Scotland right down to the MOD in both Plymouth and Portsmouth have been a great help in delivering the service levels required by our biggest and smallest customers. Every imaginable requirement has been covered from safety glasses to flat backs and Luton's to motorbikes.

Some of the biggest companies in the UK have been supported through us by JC couriers including Cargill UK, Tate and Lyle, Celanese, Thames Water, Hexell, Shell exploration, Dow Chemicals and most recently the arrival of a new customer doing collections and deliveries of specialist equipment from Buckingham Palace on behalf of the Royal Households.

Thanks again for your continued good work and look forward to working with you over the next 10 year.

Regards

Tony Gable
